INDIE
Publishing
—GROUP—

This book is dedicated to all the children around the world.

It doesn't matter what you are when you are born, with just a little imagination you can turn a small humble caterpillar into one of the world's most beautiful butterflies!

Open up your imagination, spread your wings and enjoy the world how you want to enjoy it. Don't ever let anyone stop you from flying!

If I was a caterpillar...

**I would climb to the top of the tallest
tree in the whole world!**

WORLD'S
TALLEST
TREE

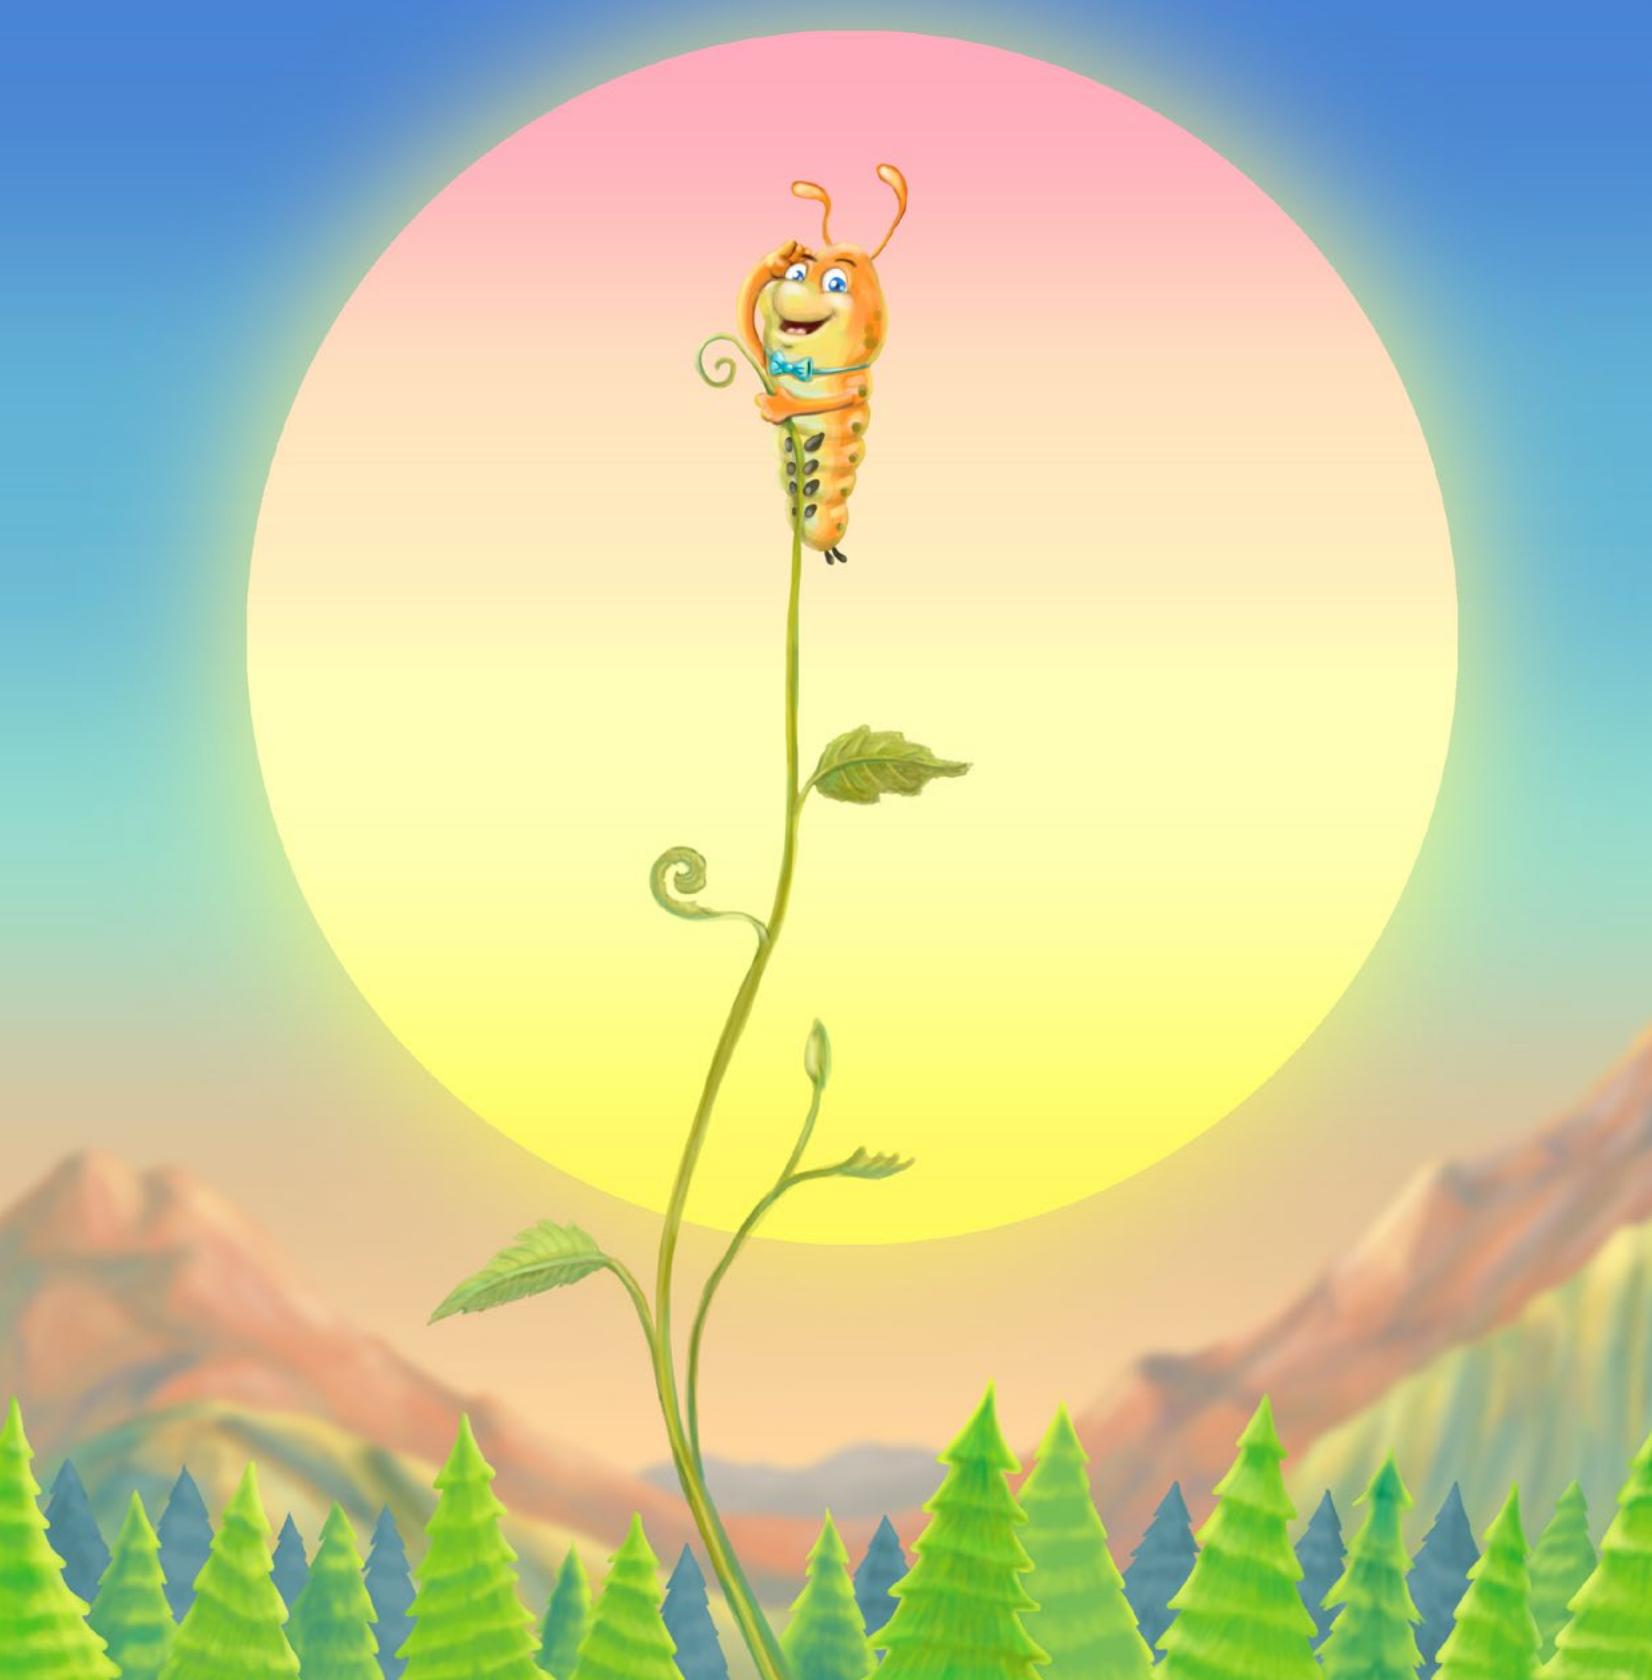

If I was a caterpillar...

**I would find the juiciest leaves
and eat them all up!**

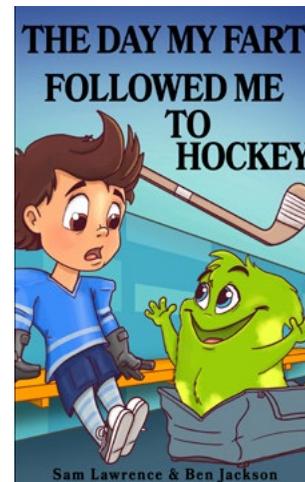

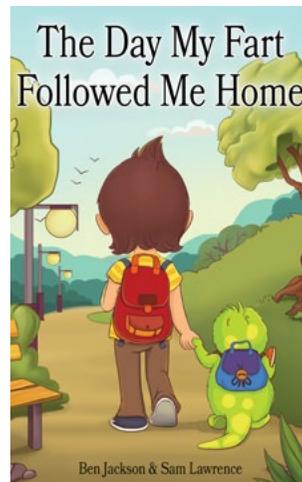

If I was a caterpillar...

**I would crawl along the tiniest
branches, reaching out to the sun!**

Illustrator Danko Herrera

Danko Herrera, when not walking natural landscapes, works as an illustrator for various indie writers like Arnie Lightning and Jeff Rivera. His work has been part of Saca la Bici, a bicycle organization in Mexico. He started illustrating for a short-tale collective in Querétaro (Mexico) called “cuentos para iluminar”, a fanzine containing short illustrated tales with a psychological approach. Danko is a contributor to Rockademix, a multimedia academic program based in California. As a visual artist, his work has been exhibited in Mexico, Denmark, and Argentina.
