

# International Review of Books

**Character Development: 5 out of 5**

**Plot Development: 5 out of 5**

**Flow of Plot: 5 out of 5**

***Overall rating: 5 out of 5***

**A line in the book that stood out to the reviewer:**

'Malayan Communist Party. Over.'

Jamie frowned.

'I thought they were on our side against the Japanese. Over.'

Skills of the Warramunga by Greg Kater is the third book in the Warramunga series although it is more than fine as a stand-alone novel. Kater fully develops the good guys' characters in a smooth and even way for readers who have not read the other books in the series. The bad guys remain mysterious with just enough information to produce a villainous shadow. The post-war era, Kuala Lumpur, and the jungle are captured brilliantly. The historical fiction presented will not disappoint the historian, and the flow of the novel will not disappoint the adventure reader. Extremely well done.
