

Amazon review: **A very impressive debut**, 15 Aug 2014

[Richard Bleksley](#)

This review is from: THE SILENCE OF THE STONES: A young woman, left a cottage in West Wales by an estranged aunt, is plunged into a conspiracy of silence. Murder, arson, lies ... the truth rocks her world to the core. (Kindle Edition)

★★★★★ Good writing, a vividly evocative setting, deftly drawn characters, an intriguing glimpse into the little-known lore of runes, psychological depth, mystery, suspense, twists, and an undertow of heartbreaking tragedy. What more could you ask? I was hooked from start to finish.

A very exciting story set in a beautiful location. I'm usually one step ahead of a plot, but not this time. So many twists and turns, couldn't put it down until I'd finished it! Highly recommended read.

★★★★★ Will those secrets destroy Alana's world? 2 August 2014

Finding out will keep you up all night reading this novel. The twists and turns of the plot are incredibly clever, and there is no way of guessing the end until the end. The setting is brilliant too. It made me feel I was in Pembrokeshire.

Goodreads reviews

[Aug 28, 2014 Sarah Stuart](#) rated it 5 of 5 stars

Alana lives... all the characters in *The Silence of the Stones* do, and you can't reread it and find a single "lie". Yet the answer is obvious, except it isn't: nobody could guess the end, but it's a gripping read all the way.

Rebecca Bryn can make you laugh, make you cry, keep you awake all night, and twist you round her little finger.

[Sep 18, 2014 Tanya](#) rated it 4 of 5 stars

I didn't really know what to expect when I started reading *The Silence of the Stones*. The story starts off by showing three different characters lives. I was a little intrigued to see how these three characters would encounter each other and why, so although I found it a little confusing keeping track of these three characters' lives, I found myself getting sucked into the story and didn't put the book down until I had finished.

I won't say too much on the story line as I don't want to give anything away, but I will say that *The Silence of the Stone* is an original story. I can say that I haven't read anything like it before. I was pleasantly surprised by The way that Rebecca Bryn entwines the three characters' lives. The twist in the story and the mystery that keeps you guessing until the end, Had me turning the pages.

If you enjoy a good story that has a good mystery, a little romance, a few twist that keeps you guessing. Then I would suggest you read *The silence of the stones*.

One of the best books I've read since I joined Goodreads to find new authors. I feel like Alana is my best friend. I really cared what happened to her, and a lot did! i defy anybody to guess the end. It was truly amazing.
