

Review Snippets:

"Delightful!"

- Margaret Maron, New York Times Best-Selling Author. Winner of the Edgar, Anthony, Agatha, and Macavity Awards, and 2013 Mystery Writers of America Grand Master

"Kaye Barley is a treasure and a delight. Her wit, wisdom, imagination--and yes, whimsy!--shine from every page."

- Hank Phillippi Ryan, Agatha, Anthony, and Macavity Award-Winning Author

Reviews:

"Barley brings all of her love of southern life, southern women, and art to *Whimsey*. It's a story that sparkles with life and humor, and characters who enjoy all of it.

And, *Whimsey's* magical realism will remind readers of Ellery Adams and Sarah Addison Allen. It's a charming book, filled with laughter." Excerpt of Review From Lesa's Book Critiques - <http://lesasbookcritiques.blogspot.com/>

"Oh who am I kidding I loved every character in this book. The whole ensemble is there for a reason each with their own set of advise to Emma and when she finally decides to listen to all the people and island are trying to tell her

things get much better for. I also want to see her jewelry; I want to see these colors the colors of a sunrise on Whimsey with colors no one has a name for.” Excerpt of Review from Miss Susie’s Reading and Observations - <http://misssusiesreading.blogspot.com/>

“Her "Whimsey" presents the fictional story of a series of talented women willing to take that risk, and the book itself is proof of the living truth in her words. Ultimately, the novel is a celebration of creativity and self-fulfillment. For anyone who is not too grown-up to believe in the power of chasing after the things they love, or to smile at a pixie in Louboutin heels, "Whimsey" presents a fun, light-hearted read and a reminder never to stop dreaming." Excerpt from review written by Ariel Parsons for All About Women Magazine, April 2014 edition - <http://www.aawmag.com>

Twenty-seven 5 Star reviews at amazon.com - http://www.amazon.com/WHIMSEY-NOVEL-Kaye-Wilkinson-Barley-ebook/dp/B00BC3GZJ4/ref=sr_1_1?s=books&ie=UTF8&qid=1397935218&sr=1-1&keywords=whimsey+a+novel
